Dear Sir,

RE: LETTER OF NO OBJECTION

We refer to the above subject matter.

We write to express our **NO OBJECTION** to the intended application by Dadaab Water and Sanitation company Limited (DAWASCO) to be a Water Service Provider in the area.

Our area of mandate is vast and we welcome another Water Service Provider to assist in meeting the water needs of the population in the region.

We trust the regulator will accord them all the necessary assistance in their application.

Yours Faithfully,

A handwritten signature in blue ink is written over a circular official stamp. The stamp contains the text "WATER AND IRRIGATION" and "GARISSA COUNTY".
